BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Southern California Gas Company (U 904 G), San Diego Gas & Electric Company (U 902 M) and Southern California Edison Company (U 338 E) for Approval of Changes to Natural Gas Operations and Service Offerings .

Application 06-08-026
(Filed August 28, 2006)

**ADMINISTRATIVE LAW JUDGE'S RULING
REVISING PROCEDURAL SCHEDULE**

By Assigned Commissioner's Ruling dated December 21, 2006, the procedural schedule for this proceeding was established. This ruling modifies the schedule. Under the revised schedule, the evidentiary hearings previously planned to start on April 16, 2007 shall now start at 9:30 a.m. on Thursday, May 3, 2007. Additional hearing days shall be reserved, as needed, for May 4, 7-11, and 14-17 at the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, California 94102.

Parties sponsoring testimony shall advise the assigned ALJ by electronic mail, copying the service list, no later than April 23, 2007, as to any scheduling constraints in the availability of witnesses to testify at the evidentiary hearings. Parties planning to conduct cross examination shall provide time estimates per witness needed for cross examination. The estimates shall also be provided no later than April 23, 2007. In presenting estimates, parties with similar interests or positions should confer and coordinate with each other to avoid or at least minimize duplicative cross examination estimates.

A schedule setting forth the sequence of witnesses shall be issued by April 25, 2007, taking into account the information on witness availability and cross examination estimates, and reconciling any schedule conflicts.

A telephonic prehearing conference shall be scheduled for 10:00 a.m. on April 30, 2007, if necessary, to resolve witness scheduling or any other procedural matters in preparation for hearings. If no party objects to the schedule for appearances of witnesses, or raises other procedural concerns by close of business on April 27, 2007, the telephonic prehearing conference will be cancelled. A phone bridge for the telephonic prehearing conference will be provided at a later date, if necessary.

The previously adopted schedule for a prehearing conference and for evidentiary hearings is superseded by the schedule adopted in this ruling. In all other respects, the previously adopted schedule remains in effect.

IT IS RULED that:

1. The previously adopted schedule for a prehearing conference and evidentiary hearings as set in the Assigned Commissioner's Ruling is revised and superseded by the schedule adopted in this ruling.

2. The schedule is hereby revised as follows: The evidentiary hearings shall start at 9:30 a.m. on Thursday, May 3, 2006. Additional hearing days shall be reserved, as needed, for May 4, 7-11, and 14-17 at the Commission Courtroom, State Office Building, 505 Van Ness Avenue, San Francisco, California 94102. The hearing location remains unchanged.

3. Parties sponsoring testimony shall advise the assigned ALJ by electronic mail, copying the service list, no later than April 23, 2007, as to any scheduling constraints in the availability of witnesses to appear to testify at the evidentiary hearings.

4. Parties planning to conduct cross examination shall advise the assigned ALJ by electronic mail, copying the service list, no later than April 23, 2007, with estimates of the time per witness needed for their cross examination.

5. A schedule setting forth the sequence of witnesses to appear at the evidentiary hearings shall be issued by April 25, 2007, taking into account information supplied on witness availability and cross examination estimates.

6. If no party objects to the schedule of witnesses, or raises other procedural concerns by electronic mail to the ALJ by the close of business on April 27, 2007, the telephonic prehearing conference will be cancelled

7. A telephonic prehearing conference, if necessary, shall be convened at 10:00 a.m. on April 30, 2006.

8. The remainder of the schedule previously adopted is unchanged.

Dated January 2, 2007 in San Francisco, California.
